Everything is still up in the air.....January 27th is when we will hear more.
Bottom Line....it is the good for the game of football in the State of Wisconsin...it is the most fair. Not necessarily the most convenient.
- **BIGGER / FASTER / STRONGER**

Postponed for this January....looking to possibly do something between the Winter and Spring sports. Need more buy-in from varsity coaches of other sports. It will benefit every sport.

RHONDA:

Corporate Sponsorship Drive to start earlier this year.....Sandy will put together a list to call from...and add new businesses. She will email this list to us.

Go over the new list of potential sponsorships at the February meeting.

Sandy will email the list out to everyone and we will let her know which people we are willing to call...and then at the February meeting we will “divvy” out the rest of the names on the list.

BUDGET:

Everything included from Coach’s Wish List except for the mouthguards and neck strengthening machine. To be added...

FUNDRAISING ACTIVITIES:

- Brat Fry....2009 didn't do so well...only made \$350
- Selling Clothing.....didn't sell very well....didn't sell cushions
- Discussion: Eliminate some of the things that are a waste of time and add other fundraisers or just increase the membership dues
- Looking for a convenient location to put can bin for recycling. Happy Joes, Kwik Trip, Tom Breuers new building on Hwy 35?

MEMBERSHIP DUES:

Talk about raising to \$15 or \$20 bucks....and make it more of a mandatory deal....cutting out the brat sale and the clothing sales. Tina Rude's idea of buying \$3 tshirts with logo on them and giving them to every booster member with a \$25 membership fee. Everyone agreed that this is a great idea.

During the fall parent meeting....JoLynn Rihn and Aimee Meier will "man" the table...all football parents must register with us. We will strongly encourage joining the booster club...with the hopes of being able to eliminate some of the other fundraisers. Coach Antoni to apply slight pressure as well.

Sandy and Aimee to work with Coach to organize fall meeting to make sure that we get participation in whatever we need.....50/50....team unity....etc.

MISCELLANEOUS:

Dan Dzedzic: 50/50-----Lot of people signed up but didn't show up. Dan ended up selling for two games all by himself.

Social Event...possibly at Flip Side. Also do some tip boards and such to make a little money. Possible Vegas nite.

Need to address next year's Seniors and their parents in regards to the Senior player poster. This year was done by Loedings and Lavrys...need volunteers.

MARC:

Cash carried forward for next year....about \$8500.

Need to put in some expenses for bus trip (Pulaski)...fan bus

Need to add expenses for new mouthguards and neck strengthening machine

Went through the budget...line by line. Budget looked in order and approved
