

ONALASKA FOOTBALL BOOSTER CLUB

MEETING: June 1, 2010

Attending: Marc & Laurie Bertram, Sandy Kjome, Tom Kelbel, JoLynn Rihn, Dave Clark, Dieter Antoni, Dorothy Snebold, Rhonda Rude, Jeff Meier, Aimee Meier, Donna Mae Viner

Marc Bertram:

Treasurer Report: \$1,310 – corporate sponsors that came in. Still waiting for many to come in. The only expense was the speed training coach.....\$500. Balance in the account as of today is \$10,024.

Coach Antoni:

- ⇒ Talking to Caledonia football program about a possible scrimmage the last day of football camp. Would take everyone in the program from Freshman to Senior. More fun and better training to go against another team instead of keeping it all internal.
- ⇒ If we do scrimmage Caledonia....we will use all pads that day. Otherwise no pads will be used the first four days of camp.
- ⇒ Will possibly need buses to go to Caledonia....or they might be coming here.
- ⇒ Marc Bertram will price buses for the team....booster club will pay for them. That way we don't have to go through the School District Transportation Dept.
- ⇒ If we can't arrange a scrimmage with Caledonia....will be doing something fun with all the teams on the last day of camp.
- ⇒ In the past, whoever lifted more during the summer....was provided a steak dinner cooked by the coaches. Going to do something different.....Seniors will be captains and have to "draft" people for their lifting team. The kids know best who is working hard in the weight room and can build a good team.
- ⇒ Middle school had 25 helmets rejected (can't be used). Looking to purchase new with maybe "gold card" money or school funds. Booster club may need to help.
- ⇒ Lengthy discussion about players playing both offensive and defensive positions.
- ⇒ The kids that put the effort into the program during the summer....weight training... League, speed training.....will be the players that will get the time on the field.
- ⇒ When football starts....Coach will stress focus on this sport.....discipline is the issue.
- ⇒ The most important thing is to win.
- ⇒ Freshman through Seniors will be practicing both offense and defense.
- ⇒ During the camp...the kids will be quizzed on the plays....they will get handouts.
- ⇒ In the past...the players that have played both ways....were very good athletes....now everyone will be trained.
- ⇒ Nothing has been decided as far as a Senior format for the poster.
- ⇒ The kids that are undecided about going out for football or soccer.....doesn't matter....they should be lifting....no matter for soccer or football.

Golf

- ⇒ We will try to move the golf tournament to the Monday after the Watermelon Bowl.
- ⇒ Will talk to Cedar Creek and see about changing date. If it doesn't work....move to the Country Club.
- ⇒ Starting date of the football practice season is always a different date....determined by WIAA.
- ⇒ Ask Mr. Vogler about the starting football dates. He should have the dates for the next five years.

⇒ Mr. Vogler's meeting with the parents is the first day of practice....Monday, August 9th. Hand out equipment that date.

Rhonda:

- ⇒ Need people to have people signed up to work for the camp.
- ⇒ Dorothy Snebold will be the lead....
- ⇒ Mary Ballinger typed up a list of all the instructions for the camp.....very detailed.
- ⇒ Break is 6:05 each night.
- ⇒ Must call Pepsi to get Powered Gatorade.....Aimee will do. (700 cups)
- ⇒ Kwik Trip (Dawn)....gave \$100 gift card.

Sandy:

- ⇒ Please make follow up calls to all the Corporate SponsorsRe-call people and get them to send in their corporate sponsorships.
- ⇒ Sandy will resend the list with the corporate sponsors.....showing who has paid already.
- ⇒ Parent/player meeting is Monday, August 9th, 6:30pm
- ⇒ We need to be there early....to handout t-shirts for all booster members.
- ⇒ Have extra seat cushions left from last year...possibly raffle off or give away
- ⇒ Mike & Tina Rude are getting the t-shirts printed.
- ⇒ Have a table set up during the meeting.....collect booster club fees at that time. Push parents through as a registration table....with booster club at the end....so they feel that it is just part of the process.
- ⇒ All parents must register.....
- ⇒ Football parents will meet at 6pm and meet before the general fall sports meetings.
- ⇒ Watermelon Bowl is August 14th. Brats purchased from Festival. They give us the watermelon for free.
- ⇒ Have a parent get together at the Timbers afterwards. Sandy will call.
- ⇒ Send out a separate email to parents to remind.....also talk about it at the parent meeting at the beginning of the week.

Next meeting.....Wednesday, July 21st.....6:30 at the Festival Support Center.
