SANDY KJOME:

- In regards to the additional parent meeting being conducted at another location tonight. Talked to some of the concerned parents and wanted to make sure that they realize that a Booster Club Meeting is not the place to discuss the politics of coaching and play calling.
- The purpose of the Booster Club is to SUPPORT the team and the players. We are not a governing body.
- Coach Antoni will be happy to meet with anyone individually to discuss any issue in regards to the performance of the team this year.
- The parents in attendance stated that the issue escalated beyond what was meant to be. Their intention was never to form a “lynch mob”.
- Senior Nite Program. Next year we will start sooner and put a better program together.
- DVD – Scott Carey & Craig Bartheld will put a video together to be viewed at the end of the year banquet. The fee for this DVD be much less expensive than in the past years. Last years DVD was \$25.
- Stats will be posted on the website...by Mike Rude
- We are averaging 22 hits on the website each day.
- Banquet:
 - ⇒ The Banquet will be on 11/7 starting at 5pm at the Onalaska Middle School, so everyone can be home in time for the Packer game.
 - ⇒ Will mail a letter to the parents about what to bring.
 - ⇒ Set up will be at 3:30 on Sunday
 - ⇒ Booster Club will buy the drinks / milk / dessert.
 - ⇒ Decorations.....purple napkins (Mary Balinger and Patti Olson have centerpieces).
 - ⇒ Set up Sound system and DVD player with custodians before hand. There needs to be 3 tables on the stage.
